Still waiting on a check from SCCA might be in the mail?? This makes the balance look low. Our event was the largest attended West Coast event. Looks like we may be a very popular site.

Track Events Jeremy

December - he will check in with the Speedway and check for food at the same time - there has been an inquiry about storage on site at the Speedway. This was an issue last time, but worth the effort.

New Other Business

Bus Service -

Possible for James Eaton to fix the bus??

-Bus Storage: How about creating post on Club FB Page for storage ideas? -Alex

We have to find a new place to park the bus. Not Marlon, Not Allon. Halversons are willing but far away from the Speedway and you know - gas. Additionally, needs consistent transportation to and from the event. Attendance has been a bit low and we would like to avoid a fee for parking.

Internship Program

Trained work positions need to have new people. Set up a shadow program. Lets also make some training videos. Film Some stuff at the shop and at the event.

Helmet Purchase-

ETA June/July. Will submit final tally to BOD before submitting order-Alex

August Meeting - In person and open to general membership Does anybody work in resort industry - Sierra Gold?

November Overnight/block party two day event we have a club member who owns a pizza place. To get around the NO vendors at the speedway the club will pay for the food and the vendor will just "deliver" it. We will ask about this before we do it so that we don't jeopardize our relationship.
